Dear Friends,

You may remember seeing the newspaper ads I've placed over the past few years which read "Rep. Larry Haler is bringing his legislative office to you." Every so often during and after legislative sessions I would borrow space at one of our local coffee shops on a Saturday afternoon and make it "my office" for a couple of hours.

Well, I'm pleased to report that as of mid-July my legislative office is **here in our district full-time** until the Legislature prepares to go back into session. My legislative assistant, Jan Swenson, will have the district office open Tuesdays through Fridays. I hope you'll stop in when you have a question and believe we can help find an answer.

Thank you for the privilege of being your state representative!

Sincerely,

Larry Haler
